PCDC Clubmates...

We are facing a crucial primary on August 28, followed by a general election on November 6. We must band together and vote as one voice if we are to compete against Republican money and registered voter advantage. Again...vote as one voice. That's how we send a message that Democrats are back in the fight for our community, our state, and our country.

We have two fine *local candidates* in the primary [Carl Jones](#) for **Flagler County School Board** and [John Tipton](#) for **Palm Coast City Council**. It's time for a change and these men will serve our community well. Remember, get your primary mail-in ballots in to the Supervisor of Elections (SOE) by Wednesday, August 22. And, early voting begins this very Saturday, August 18.

I've been asked many times - who should we vote for in the primary? I've already mentioned Carl and John. There's one other *Democratic candidate* I can endorse - [Linda Gaustad](#) for Circuit Court Judge, Circuit 7, Group 15.

From there it gets hard. We have three absolutely *great candidates* for **6th District U.S. House** - [Nancy Soderberg](#), [Steve Seigny](#) and [John Upchurch](#). Each one is a Democratic star and I cannot recommend one over the others. You must research each and make the hard choice.

For the Governor's race, an equally difficult choice among *five great candidates*, each of whom would make an awesome governor. [Gwen Graham](#), [Jeff Greene](#), [Andrew Gillum](#), [Chris King](#) and [Philp Levine](#) will firmly uphold our Democratic values. Do your research on their platforms and make your choice.

Other important races are Attorney General and Agriculture Secretary. For *Attorney General*, [Ryan Torrens](#) visited us twice. [Sean Shaw](#) is a sitting State Representative. They're both *terrific candidates* and will fix the Pam Bondi anti-citizen (unless you're a RepublicaNRA!) problem. For *Agriculture Secretary*, [Roy David Walker](#) attended our "Rally by the Sea". His primary opponents are [Nicole "Nikki" Fried](#) and [Jeffrey Duane Porter](#). Again, I can't make a recommendation. Do your research and pick your candidate. You will be well served no matter which one you settle on.
